The assessment we need to do before giving you credit assistance

Under the NCCP Act, we are obliged to ensure that any loan or principal increase to a loan we help you obtain or any lease we help you enter, is not unsuitable for you. To decide this, we may need to ask you some questions in order to assess whether the loan or lease is not unsuitable. The law requires us to:

- Make reasonable inquiries about your requirements and objectives;
- Make reasonable inquiries about your financial situation;
- Take reasonable steps to verify that financial situation.

Credit will be unsuitable if it is at the time of the assessment, it is likely that:

- You could not pay or could only pay with substantial hardship;
- The credit will not meet your requirements and objectives

For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved. For this reason, we must ask you to provide a significant amount of information. It is therefore very important that the information you provide to us is accurate.

Obtaining a copy of the assessment

We must provide you with a copy of our preliminary credit assessment of your application if you ask within seven years of when we assist you. We are only required to give you a copy of the credit assessment if you enter into a loan or lease contract of the credit limit is increased.
